About Us

At Tity Global Pvt Ltd, we are passionate about transforming innovative ideas into successful businesses.

Our platform supports startups with a complete ecosystem that covers idea validation, mentoring, funding, and strategic investment opportunities.

Through our Startup Workshops, aspiring founders learn how to develop their ideas, connect with expert mentors, and prepare for funding success.

Once recognized, we guide startups every step of the way — from early growth to expansion.

Our Vision

Empowering startups and driving global innovation through strategic mentoring, funding, and partnerships.

We don't just fund startups — we build futures.

"Ideas are easy. Execution is everything." - John Doerr

Our Mission
